TOWN HOUSE IN LOS ALGARROBOS, MARBELLA

This fully renovated townhouse is located in the heart of Nueva Andalucía's Golf Valley, one of the most prestigious and desirable residential areas on the Costa del Sol. Surrounded by world-class golf courses and just five minutes from Puerto Banús and the Golden Mile, the property enjoys a privileged location in a tranquil, gated community that perfectly balances privacy and connection. The home is distributed across two well-designed levels. On the ground floor, you'll find an inviting open-plan living space that seamlessly combines the kitchen, dining, and lounge areas, all finished with modern materials and high-end fixtures. This level also includes a guest toilet and two spacious bedrooms, one of which features an en-suite bathroom. The living area opens directly onto a charming terrace, which leads to an open gallery with access to the lush communal gardens—creating a harmonious flow between indoor and outdoor living. Upstairs, the property offers two additional bedrooms, both en-suite and each with its own private terrace. The master suite enjoys partial views of the sea and the golf course, adding a serene and elevated ambiance to your everyday life. Underfloor heating in the bathrooms ensures comfort throughout the year, while the home's southern orientation guarantees natural light all day long. The gated community is designed for leisure and relaxation, featuring beautifully landscaped gardens, a heated communal swimming pool, and both tennis and padel courts. It's a peaceful and green environment, ideal for families or those seeking a second home in a prestigious setting. The combination of thoughtful architecture, elegant renovation, and unbeatable location makes this property a rare opportunity in one of Marbella's most sought-after neighborhoods.
