This exclusive boutique development presents a unique collection of 25 one-, two-, and three-bedroom apartments thoughtfully distributed across two low-rise, staggered buildings. Designed to capture the essence of Mediterranean living, each home offers stunning sea views and a seamless connection with the surrounding natural beauty. The modern architecture prioritises light, space, and privacy, creating an ideal setting for a relaxed yet sophisticated lifestyle. All homes are south-facing, allowing natural sunlight to flood the interiors throughout the day and providing panoramic views of the Mediterranean coastline. Generous terraces and private solariums extend the living space outdoors, perfect for enjoying long summer evenings. The open-plan interiors are finished to the highest standards, with large-format porcelain floors, expansive windows, and integrated kitchens equipped with quartz worktops and top-of-the-line appliances. Bathrooms feature elegant, large-format tiling and contemporary fittings that combine comfort with timeless design. At the heart of the development is a large outdoor swimming pool surrounded by lush landscaped gardens, offering a peaceful space to unwind. A fully equipped gym provides an additional wellness option, all within a secure and private environment. Designed by a renowned architectural firm, the development reflects a strong commitment to sustainability and energy efficiency, from the construction materials to the communal facilities. Residents can also enjoy the flexibility to personalise their homes with the help of a curated interior design package. Located just a few metres from the sea in the emerging neighbourhood of Arroyo Enmedio, this residential project benefits from a tranquil setting without sacrificing convenience. The area has seen considerable growth in recent years, transforming into one of Estepona's most sought-after semi-urban enclaves.
