Nestled in the prestigious area of Nueva Andalucía, this exceptional renovated villa offers a lifestyle of refined comfort, privacy, and elegance. With an architectural design that artfully blends Scandinavian minimalism with Andalusian warmth and French sophistication, this residence stands out as a true gem on the Costa del Sol. From the moment you step inside, you are welcomed into an atmosphere of light and tranquility. The open-plan layout seamlessly connects the kitchen with two distinct living spaces. One is an inviting TV area for casual relaxation, while the other is a grand living room with soaring double-height wooden ceilings. These main areas open directly to a beautifully landscaped patio that features an impressive infinity pool, offering panoramic views of the Mediterranean Sea and surrounding mountains. Whether you're lounging poolside or entertaining guests, the setting is nothing short of breathtaking. Also on the main level is an en-suite guest bedroom and a practical laundry room, ensuring both comfort and functionality for everyday living. Just by the entrance, an independent guest house provides additional privacy for visitors, complete with its own facilities and cosy ambiance. Upstairs is a private retreat exclusively dedicated to the master suite. This elegant space includes a custom-designed wardrobe, a luxurious en-suite bathroom, and access to a secluded terrace. Here, you can enjoy long, relaxing baths in the outdoor tub nestled beneath a pergola while soaking in the peaceful mountain views. The basement is a true haven for entertainment and relaxation. It comprises two spacious en-suite bedrooms, one of which includes a walk-in dressing room and direct access to a sun-soaked terrace. This level also boasts a cinema room, ideal for cozy movie nights, a bespoke wine cellar perfect for hosting tastings, and a guest toilet. One of the most luxurious highlights of the villa is the private spa, featuring a heated indoor pool and sauna, allowing you to unwind in complete privacy all year round. An outdoor gym located just off the basement terrace adds a wellness touch to the lifestyle this home offers. The villa is equipped with underfloor heating throughout, a smart home system for added convenience, and private parking. Every detail has been carefully considered to enhance both functionality and style. Located within the lush and exclusive enclave known as the Golf Valley, the home enjoys proximity to some of Europe's top golf courses.
