SPECTACULAR SEASIDE VILLAS IN MIJAS COSTA

Nestled within the prestigious Las Farolas Urbanisation in Mijas Costa, this new development offers a rare blend of contemporary elegance, coastal serenity, and effortless luxury. Comprising just three individually designed villas, this exclusive project is crafted to deliver the ultimate Mediterranean lifestyle. Perfectly positioned just a short stroll from the renowned Chaparral Golf Club and minutes from the golden beaches of the Costa del Sol, this location is where tranquillity meets convenience. Each villa is a private sanctuary, featuring four spacious bedrooms thoughtfully designed to accommodate families and guests in complete comfort. The interiors reflect a harmonious blend of modern architecture and natural elements, with a flowing layout that brings the beauty of the surrounding landscape indoors. From the basement level to the expansive rooftop solarium, every corner of these homes exudes refinement and sophistication. The villas are equipped with high-end specifications to enhance day-to-day living. A private lift connects nearly every level of the home, providing seamless access for all residents. Underfloor heating ensures a warm, inviting atmosphere throughout the main living spaces and bedrooms, while the basement level includes tailored climate control to suit individual preferences. Whether you are hosting family gatherings, entertaining friends, or simply enjoying a quiet evening, these villas adapt to every moment with style and comfort. The outdoor areas are equally impressive. Step into your private garden, where carefully landscaped greenery sets the tone for peaceful living. The garden's design invites barefoot strolls at sunrise and relaxed afternoons by the pool, with every detail arranged to blend beauty and function. Each villa features its own private swimming pool, mirroring the azure tones of the sky above. On the rooftop solarium, owners can choose to install a jacuzzi – the perfect place to unwind while taking in panoramic views of the sea and coastline. The gentle sound of waves in the distance serves as a constant reminder that the Mediterranean is never far away. This development is more than a residence – it's a lifestyle. Whether you're an avid golfer, a nature lover, or someone seeking the relaxed elegance of coastal living, these villas deliver an unmatched opportunity. The location is both peaceful and practical, with easy access to the vibrant towns of La Cala de Mijas and Fuengirola, international schools, shopping centres, and Málaga Airport, which is just 25 minutes away. Every element of these villas has been designed to bring harmony between nature, architecture, and everyday life. With limited availability and timeless appeal, this is an opportunity to own a truly special home in one of the Costa del Sol's most desirable areas. Live where the sea inspires your soul.
