APARTMENT MARBELLA ESTE

Price from 325.000 € Marbella Sunset is an innovative project in Marbella consisting of spacious and bright 1, 3 and 4 bedroom apartments and penthouses. The Cabopino area, in Marbella, concentrates everything you could wish for. To the north, pine forests and golf courses such as Cabopino golf. To the south, the Dunas de Artola protected natural area, which flows into Cabopino beach, a beautiful and isolated beach of golden sand of about 1,200 meters in length, next to which you will find the marina of the same name. The configuration of Marbella Sunset, with various heights, is expressly designed so that the light of the Mediterranean floods each of the houses. In the common areas, the water in its two swimming pools and the vegetation in its many garden areas merge into a perfect mix that invites you to relax and enjoy. Each home in Marbella Sunset is unique, no two are alike. However, there is something they all have in common: space is the protagonist. For this reason, the floors of the rooms merge with those of the terraces, to create a feeling of openness towards the sea and the mountains. The spectacular views of the sea, the location on the first line of the golf course and the avant-garde design are three powerful reasons to choose Marbella Sunset for your new home.
