APARTMENT MIJAS COSTA

An extraordinary new project that has two- to three-bedroom apartments and penthouses that include impressive communal gardens, a huge swimming pool of 600 m2, which is lagoon-sized, a children's playground, and an outdoor gazebo. The developer put all its effort into creating elegant, modern, and functional properties from high-end materials with natural light and incorporating sustainable energy technologies that are environmentally friendly. Each apartment includes an outside covered parking space or underground garage, storage rooms, and chargers for electric vehicles. La Cala Resort provides the best lifestyle, full of leisure and sports facilities, a SPA, and restaurants. It's located between Marbella and Fuengirola and only 30 minutes from Malaga Airport. Just a short drive from beaches and shopping centers while enjoying the surrounding nature. Don't miss your chance to live your dream life!
