LUXURY SEA-VIEW VILLAS IN LA QUINTA, BENAHAVÍS

Discover an exclusive collection of 16 high-end villas located in the southern heights of El Madroñal, within one of Benahavís' most coveted residential enclaves. This gated community blends bold contemporary architecture with elegantly crafted interiors, all set in a secure and serene environment. Each villa is a sanctuary of tranquility and style, offering breathtaking panoramic views of Marbella's coastline and the Mediterranean Sea. Located just ten minutes from Puerto Banús, these homes offer both privacy and convenience. Spanning approximately 850 square metres, each residence features five or six bedrooms thoughtfully distributed across three levels. The main floor boasts an open-concept living area that flows seamlessly onto expansive terraces and a private pool—perfect for embracing Marbella's celebrated outdoor lifestyle. The upper floor includes a grand master suite with stunning sea views, while the basement level is designed for luxury living with customisable spaces such as a gym, cinema room or spa. Offering cutting-edge quality, spectacular exteriors, and iconic views, this development redefines refined coastal living in Southern Spain.
