# EXCLUSIVE VILLAS IN CASCADA DE CAMOJÁN AT THE TOP OF THE GOLDEN MILE

Camojan Six is a rare collection of six ultra-exclusive villas located in the prestigious Cascada de Camoján community, nestled in the foothills of Sierra Blanca along Marbella's famed Golden Mile. Set at the highest point of the development, these residences offer unmatched privacy, tranquility and immersion in nature. Surrounded by lush greenery and with 24-hour gated security, Camojan Six stands as one of the most private and secure residential enclaves in Marbella. The mountain rises behind, while panoramic sea views unfold to the front—an idyllic setting for elevated living. Masterfully designed by renowned architects Salvador Cejudo and Carlos Morales, the project embraces a contemporary vision rooted in elegance. Each villa showcases a fresh, artistic interpretation of modern luxury, tailored for the high expectations of Marbella's elite real estate market. The development features four expansive semi-detached villas with sweeping views, along with two iconic standalone villas that set a new standard for refined coastal living. Camojan Six offers more than just homes—it's a timeless expression of architecture, privacy and sophistication in one of Europe's most sought-after addresses.
